

FINANCIAL INFORMATION

EXPENSES

Brevard College makes every effort to offer quality educational programs while keeping costs as reasonable as possible. At Brevard College, students are able to obtain an education for less than the actual cost of instruction and other student services. The difference is provided through the support of The United Methodist Church, earnings on endowment investments, and gifts from friends of the College. Every student, regardless of family resources, is supported by institutional funds and could, therefore, be considered a recipient of scholarship assistance.

Many students are offered work opportunities which allow them to earn a portion of their college expenses. Others may qualify for scholarships, grants, loans, and other awards under a comprehensive financial assistance program. (For more information, see Financial Aid, page 22.)

While the College makes a sincere effort to project the actual cost of attendance, the Board of Trustees reserves the right to make necessary adjustments in fees at any time.

EXPLANATION OF FEES

Full-Time Student Tuition

Students taking 12 to 19 credit hours are considered full-time students. An overload fee will be charged to students taking 20 credit hours or more. For the 2009-2010 academic year, the fee is \$420 per credit hour for each additional hour. Please note that no refund will be granted for overload fees or other special charges or class fees after the last day to drop a class. Music ensembles, athletic and other specified programs may be exempted from the overload fee. See the Finance Office for more details.

Part-Time Student Tuition

Students taking 11 or fewer credit hours pay a credit hour rate for the number of enrolled credit hours. For the 2009-2010 academic year, the fee is \$420 per credit hour for the first 1-5 hours, and \$770 per credit hour for 6-11 hours. When a student reaches 6 or more hours, all hours are charged at \$770 per hour.

Part-time students are allowed the opportunity to drop a course during the first week of class without penalties. Part-time students dropping a course past the first week will be refunded at the same rate as the refund policy on page 26.

Special Tuition

Individuals 55 years or over and dual enrollment students, enrolled with permission of the instructor, are eligible to request a discount for credit coursework. For the 2009-10 academic year, the fee is \$205 per credit hour for 1-6 hours and \$770 per credit hour for 7-11 hours. When a student reaches 6 or more hours, all hours are charged at \$770 per hour. For dual enrollment students, if the seventh hour is a lab, hours 1-6 will be charged at \$205 per credit hour and only the seventh hour will be charged at \$770.

Room

Each residential student signs a housing contract that obligates the student for a full academic year of housing, even if the room is vacated. A signed contract is required before any student may occupy a room. Any student wishing to break his or her contract must contact the Director of Community Living in Campus Life to appeal their housing contract. Certain exceptions are automatically made (such as early graduation, study abroad, etc.) and are outlined in the housing contract.

Private rooms are available on a limited basis and additional charges will apply. The complete list of residential charges can be found on the Brevard College website or by contacting the Finance Office.

Board

All students living on campus are required to purchase a meal plan. Residential students can choose among a variety of options that include an unlimited meal plan with \$50 declining balance per semester, a 14 meal-per-week plan with \$125 declining balance per semester, or a 10 meal-per-week plan with \$175 declining balance per semester. Declining balance dollars can be used at any dining location, and additional money can be added to the declining balance during each semester. Any unused dollars expire at the end of each semester.

Commuters wishing to purchase a meal plan and those students who have special dietary considerations, should contact Dining Services at 828.884.8183 or consult www.brevard.edu/campus_dining.

Parking Fee

Parking at Brevard College is a privilege, and all students who park on campus must have their vehicle registered through Campus Security in Campus Life. Parking regulations are strongly enforced, and vehicles without a decal will be towed at the owner's expense. Parking decals may be purchased through Campus Life for \$85 per semester, or \$130 per academic year. Parking fees are non-refundable. All parking regulations may be found in the Student Handbook and/or by contacting Campus Security.

Additional Costs and Fees

Books, special charges for instruction in music, supplies for art, special tutoring, and incidentals are not included in the previous totals. Some classes may require additional fees. Those fees are available in the Schedule of Courses each semester. Textbooks and supplies can be acquired at King's Creek Books and may cost as much as \$350-\$400 per semester.

Special Charges:

Application Fee	\$30	Enrollment Deposit	\$200
Graduation Fee*	\$80	Readmittance	\$50
Audit, per hour	\$65	Late Registration Fee	\$50
Credit by Examination	\$250	Orientation Fee	\$95

*Graduation Fee is due when the graduation application is submitted.

Caution Deposit

Brevard College charges new and transfer residential students a refundable \$250 caution deposit. The deposit will be held by the College until graduation or separation from the institution. At that time, the deposit will be used to satisfy any outstanding financial obligations to the institution including fines and related fees. The cost of any fines and related fees incurred during the academic years preceding graduation will be billed directly to the student. The caution deposit may not be used to satisfy financial obligations to the institution except at the time of separation or graduation from the institution. Funds will be returned to students separating from the college by written request only and only after clearance from the library, campus life, and the finance office. Otherwise funds will remain at the institution.

Student Insurance

All students are required to provide proof of primary insurance. Tuition for full-time students includes secondary student coverage which will coordinate coverage with a student's personal primary plan. Student athletes should refer to the Athletic Handbook for further details. All international students must purchase a limited primary plan. The rate for 2009-2010 is \$800.

Damages

Students are responsible for any damages to College property. Students should carefully review the Student Handbook which covers student responsibilities in all facilities.

Payment of Fees

Charges are calculated on a semester basis and are payable in advance. The exact due dates will be reflected in the student's Statement of Account (billing statement), which is normally mailed at least 30 days prior to the payment date. Students who do not register during the time provided will be charged a \$50 late registration fee. Financial aid, which has not been finalized (i.e., no Stafford Loan guarantee, no valid Pell Grant payment record, etc.), is not considered payment toward the student's account. Payment will be expected by the beginning of each semester; once the financial aid has been finalized, the student may be eligible for a refund. Refunds are disbursed when funds have been received by the College. Brevard College accepts cash, personal checks, money orders, Visa, MasterCard and American Express for payment of charges. In addition, students may pay on-line by accessing WebTwister through their personal "My BC" account. Returned checks will result in a \$50 charge on the student account.

Persons desiring to pay fees in installments may consider a monthly payment plan, currently offered by Tuition Management Systems (TMS). For a minimal application fee this plan provides a low-cost, flexible method for spreading expenses for a single semester or a full academic year over several months. For more information, contact the Office of Business and Finance at 828.884.8263, TMS at 1.800.356.0350, or visit the TMS website at www.afford.com.

Financial Obligations to the College

Unmet financial obligations to the college will result in a hold on student academic records. A hold could prevent readmission, class registration, receipt of a diploma or transcript, financial aid processing or acknowledgment of attendance. Financial obligations to the college include, but are not limited to, student account balance, parking fine, library fines and campus life fines. Brevard College accepts cash, personal checks, money orders, Visa, MasterCard, and American Express for payment. If paying by personal check, please be advised that it may take up to two weeks for the check to clear. Thus, transcripts or diploma will not be released until the check has cleared the bank.

Withdrawal Refund Policy

To properly withdraw from the college, the student must obtain a 'Request For Withdrawal from Brevard College' form from the Office of Academic Affairs, secure the appropriate signatures and return the completed request to the Office of Academic Affairs. Refunds are based on the date the student began the withdrawal process with the expectation that the process will be completed in a timely manner. Refunds will only be considered if a student follows the official withdrawal process as stated above.

Because withdrawal from the institution affects financial aid eligibility, a student using scholarships, grants, or loans to pay for educational expenses, may experience the return of portions of those funds based on federal and state guidelines. In addition, should a student receiving federal aid earn a 0.00 GPA for the semester, the midpoint of the semester will be used as the date of withdrawal, unless a later date of class attendance can

be documented. This may result in a balance owed to the College. Students receiving financial aid should also refer to the financial aid refund policy on page 26.

Refunds apply to tuition, class fees, room and board charges. Parking fees are refunded only if decal is unused. Private room charges, student government fee, and international student insurance are not refundable.

Date of Withdrawal from College	Amount Refunded	Amount Charged
First 7 calendar days after classes begin	80%	20%
Second 7 calendar days after classes begin	50%	50%
Third 7 calendar days after classes begin and thereafter	0%	100%

Residential students who withdraw from the college prior to the beginning of classes will forfeit their caution deposit.

Setting of Student Charges

Students who are financially clear and have not notified college officials they will not be returning to Brevard College before classes begin will be considered enrolled as of the first day of classes regardless of class attendance. Tuition, room and board, will be calculated based on the first day of classes. Students not returning should officially notify the Office of the Registrar of their intent not to return.

Class Fees

Class Fees are calculated on class enrollment as of the close of the last day to withdraw from a course without a record as confirmed by the Registrar of the College.

Change in Status

Students may experience a change of status between full and part-time or residential and commuter. Final calculation of charges for total hours will occur as of the close of the last day to drop classes as confirmed by the Registrar.

Charges for residential status will be prorated up through the close of the last day to drop classes (confirmed by the Office of Campus Life), after which full charges for room and board will be posted to the student’s account.

If a change in status results in a change in financial aid awards, a student using scholarships, grants, or loans to pay for education expenses may experience the return of portions of those funds based on federal and state guidelines. This may result in a balance owed to the College. Students receiving financial aid should also refer to the financial aid refund policy on page 26.

FINANCIAL AID

Opportunities for student financial aid are available to every student who can show either financial need, superior academic achievement, leadership and service, or talent in art, athletics, drama, or music. Brevard College makes every effort to help deserving students obtain financial assistance. The philosophy of the Financial Aid Office is to assist students in meeting their financial obligations to the College through need-based or merit-based grants, scholarships, loans, and work-study to the maximum extent possible based on eligibility and available funds. Brevard College does not discriminate on the basis of race, color, religion, sex, national origin, sexual orientation, age, disability, or veteran's status in the administration of its financial aid resources.

All financial aid awarded to students at Brevard College is normally disbursed on a 50 percent basis each semester by crediting the student's account in the Finance Office. All students must be making satisfactory academic progress to be considered for any student financial assistance.

The Brevard Scholars Program

Brevard Scholars receive academic scholarships of at least \$3,000 per year in recognition of high ability and achievement. To be considered for the program, a student must have a distinguished high school academic and leadership record and a minimum SAT total of 1100 (math and verbal scores only).

A variety of scholarship awards, ranging from \$3,000 to full tuition, are designed to recognize and encourage exceptional interests and abilities. To be eligible for consideration, students are required to complete the admission application process. The scholarships are renewable based on maintaining a specific grade point average. Students receiving a Duke Scholarship also will automatically be offered a work opportunity on campus.

Academic Scholarships Awarded to Brevard Scholars

The Duke Scholarships: \$6,000 Duke Scholarships are awarded annually by Brevard College to exceptionally gifted entering students. Recipients are designated Duke Scholars in honor of Angier B. Duke. All Duke Scholars will be invited to participate in a Scholars Competition, which could result in a top award of full tuition. This scholarship requires a minimum cumulative grade point average of 3.9 for renewal.

The Beam Scholarships: \$4,500 Beam Scholarships are awarded each year on a competitive basis to qualified students. Recipients are designated Beam Scholars in honor of C. Grier and Lena Sue Beam, longtime benefactors of the College. This scholarship requires a minimum cumulative grade point average of 2.75 for renewal.

The Sims Scholarships: \$3,000 Sims Scholarships are awarded each year to qualified students. Recipients are designated Sims Scholars in honor of Allen H. Sims, chairman emeritus of the Board of Trustees and longtime benefactor of the College. This scholarship requires a minimum cumulative grade point average of 2.50 for renewal.

Transfer Student Academic Scholarships

All transferring students will be considered for the Brevard Scholars program.

Limits on Non-Need Academic Scholarships

All non-need academic scholarships at Brevard College are awarded by the Office of Admissions and are subject to the following limitations:

1. If a student is awarded more than one academic scholarship, the final award shall be the higher of the two awards.
2. In no case shall the final award, in combination with other institutional grants, exceed the direct cost of attending Brevard College.
3. Brevard College reserves the right to modify, revoke, or add to any or all College scholarships.

Athletic Scholarships

Athletic scholarships are awarded to students displaying outstanding ability. Students who wish to be considered for athletic grants should correspond with the respective coach for details. Athletics awards are competitive and tryouts may be required. Renewal is not guaranteed. Intercollegiate programs for men and women include basketball, cycling, soccer, cross-country, track and field, golf, and tennis. The College also supports women's softball and volleyball as well as football and baseball teams for men.

Talent Awards

Talent awards are granted to students displaying outstanding ability in music, theatre, and the visual arts as well as in academic major areas. Qualifying students may be required to arrange an audition, tryout, or interview with the chairperson of the respective division. Art awards are granted based upon the evaluation of a portfolio of ten slides of the student's work. Music awards are based on an audition. Amounts may vary according to individual ability. Renewal is not automatic.

Leadership Scholarships

Leadership Scholarships are awarded upon acceptance for admission to students who have demonstrated leadership qualities or potential. If the student is awarded more than one leadership scholarship, the final award shall be the higher of the two awards. Students receiving athletic or music scholarships are not eligible for leadership scholarships.

Need-Based Grants and Scholarships

There are a number of endowed scholarship funds established by supporters of the College, the interest from which is used to provide assistance to those students who have an established financial need as a result of filing a Free Application for Federal Student Aid (FAFSA). The FAFSA must be filed each year to determine eligibility for these funds.

Brevard College Work-Study Awards

A few work-study awards are made to students regardless of need in order to fill positions requiring special skills. These awards are fully funded by the College.

Methodist Scholarship Awards

For a complete listing of current scholarships available to United Methodist students through the General Board of Higher Education and Ministry of the United Methodist Church, please contact the Financial Aid Office.

Benefits for Veterans

Brevard College is approved for the education of veterans and their qualifying dependents. Upon registration, the veteran or qualifying dependent must complete the necessary forms in the Office of the Registrar. Veterans and qualifying dependents are advised that the first check will usually be available two months after school begins.

All persons receiving veterans' benefits are required to attend class on a regular basis. The Veterans Administration will be notified should a student cease to attend classes, and this could result in the termination of educational benefits. Records of progress are kept by this institution on all students and are furnished to students, veterans and non-veterans alike, at the end of each scheduled school term (see Satisfactory Academic Progress Policy, page 25).

Tuition Exchange Scholarships

A limited number of tuition scholarships are available until April 1 to students whose parents work at participating institutions, through the Council of Independent Colleges (CIC) and the NC Independent Colleges & Universities (NCICU) Tuition Exchange programs. Receipt of this scholarship supplements all other aid for which the student qualifies from the institution. For a list of participating institutions, go online to www.cic.edu or contact the Financial Aid Office.

North Carolina Financial Aid Programs

All North Carolina students must meet the state residency requirement to qualify for state awards. To qualify, a student must have been a permanent resident of the state of North Carolina for the 12 months immediately prior to enrollment. All North Carolina awards described below are contingent upon legislative enactment, appropriation, and actual receipt of funds by Brevard College.

Brevard College participates in the following state grant and scholarship programs:

1. the NC Legislative Tuition Grant (LTC)
2. the NC State Contractual Scholarship (SCSF)
3. the NC Student Incentive Grant (SIG)
4. the NC Education Lottery Scholarship
5. the NC Education Access Awards Scholarship (EARN)
6. NC Teacher Scholarship/Loan Programs

Federal Financial Aid Programs

Any commitment of federal funds is contingent upon congressional enactment, appropriation and actual receipt of funds by Brevard College. Federal funds are awarded in accordance with U.S. Department of Education rules and regulations, ranging from \$976 to \$5,350.

Brevard College participates in the following federal aid programs: Pell Grant, Supplemental Educational Opportunity Grants (SEOG); Academic Competitiveness Grants (ACG); National Science and Mathematics Access to Retain Talent Grants (SMART); Family Education Loan Programs-Stafford (student) and Parent Loan for Undergraduate Students (PLUS); Perkins Loans; and Work-Study Awards.

Applying for Need-Based Financial Aid

Every student desiring need-based financial assistance is required to file the Free Application for Federal Student Aid (FAFSA). This becomes the official request for financial aid when the analysis is received by the College. The College's priority filing date for awarding aid is April 15th.

1. All students applying must indicate that a copy of the report be sent to Brevard College (FAFSA code #002912). Students who file the FAFSA electronically should secure a student and parent PIN (personal identification number) at www.pin.ed.gov prior to submission of the form.
2. This form may be completed online at www.fafsa.ed.gov.
3. For priority consideration, this form should be filed as soon after January 1 as possible. The requested information should be from a completed U.S. income tax return.
4. Where federal or state funds are involved, the College may need to verify information. For this reason, the student and the parent, if applicable, should forward a **signed** copy of their **federal** tax return for the previous year to the Financial Aid Office when requested. Other documents may also be requested to validate information.

The College Response

The following steps are taken by the Financial Aid Office:

1. All inquiries about financial aid will be answered as received.
2. When the analysis is received by the College, the applicant will be notified if additional documentation is needed by the College for verification.
3. No official award letter will be issued until the student has been accepted for admission to Brevard College and all documentation has been received by the Financial Aid Office.
4. The applicant will be notified as to the official financial aid package offered by Brevard College as soon as possible after step 3 above is completed. Students receiving official awards should accept or reject the award within four weeks of receipt of the award letter, but will automatically be granted an extension to May 1 if requested in writing.

SATISFACTORY ACADEMIC PROGRESS POLICY (SAP)

To receive federal, state, and institutional financial aid at Brevard College, a student must be in good standing at the College and be making positive movement toward a degree as defined by the College's standards for academic progress. Please refer to the policy as listed on pages 49-51 of the catalog.

FINANCIAL AID AND REFUND POLICY

To properly withdraw from the college, the student must obtain a 'Request For Withdrawal from Brevard College' form from the Office of Academic Affairs, secure the appropriate signatures and return the completed request to the Office of Academic Affairs. Refunds are based on the date the student began the withdrawal process with the expectation that the process will be completed in a timely manner. Refunds will only be considered if a student follows the official withdrawal process as stated above.

Because withdrawal from the institution affects financial aid eligibility, a student using scholarships, grants, or loans to pay for educational expenses, may experience the return of portions of those funds based on federal and state guidelines. In addition, should a student receiving federal aid earn a 0.00 GPA for the semester, the midpoint of the semester will be used as the date of withdrawal, unless a later date of class attendance can be documented. This may result in a balance owed to the College.

Refunds apply to tuition, class fees, room and board charges. Parking fees are refunded only if decal is unused. Private room charges, student government fee, and international student insurance are not refundable.

Tuition, room and board, will be calculated based on the first day of classes. Students not returning should officially notify the Office of the Registrar of their intent not to return.

Class Fees

Class Fees are calculated on class enrollment as of the close of the last day to withdraw from a course without a record as confirmed by the Registrar of the College.

Change in Status

Students may experience a change of status between full and part-time or residential and commuter. Final calculation of charges for total hours will occur as of the close of the last day to drop classes as confirmed by the Registrar.

Charges for residential status will be prorated up through the close of the last day to drop classes (confirmed by the Office of Campus Life), after which full charges for room and board will be posted to the student's account.

If a change in status results in a change in financial aid awards, a student using scholarships, grants, or loans to pay for education expenses may experience the return of

portions of those funds based on federal and state guidelines. This may result in a balance owed to the College.

NOTE: For students who receive federal aid and withdraw before the 60 percent point in the semester, aid will be returned to federal aid programs based on a ratio of number of calendar days remaining and the number of calendar days in the term. Aid will be refunded in the following order: Unsubsidized Stafford Loan, Subsidized Federal Stafford Loan, Perkins Loan, PLUS Loan, Pell Grant, ACG/SMART Grant, SEOG Grant, Other Title IV Assistance. For NC students, refunds to those programs will be made according to state regulations. All outside scholarship monies received will be fully applied to the student's account to cover costs unless otherwise restricted.
